

Web-SP Application Server - End User License Agreement

It is highly recommended that you read all sections of this license agreement. It contains information on what you can and cannot do with the Web-SP application server. Many questions are answered in the body of this document, please read it carefully.

LICENSE

The department of LIME, Karolinska Institutet (LIME) grants you a non-exclusive license to use the Web-SP Application Server (Software) if you follow all restrictions in all sections of this Agreement. This license is based on a mutual understanding that the Licensee (university/organization) and LIME want to collaborate scientifically and educationally with the long term aim to write scientific papers about the use of Web-SP and to develop collaborative projects between the two organizations.

Additionally, this permission prerequisite that LIME will get a report in electronic format at least once a year regarding the use of the licensed software, including number of cases developed, approximate number of users and names of the courses where the software is used.

Important: Web-SP Application Server is NOT an open source software product. You must follow the limitations in this software agreement. We offer specific permission to customize the code for your own needs later in this agreement.

Technical support and related services are available to those following this Agreement with no charge on websp.lime.ki.se and its related partner sites. LIME reserves the right to limit or refuse free technical support and related services in any form for any reason.

SCOPE OF GRANT

You may:

- Use the Software on one (1) server per specific university/organization
- Copy the Software for archival purposes, provided any copy must contain all of the original Software's proprietary notices
- Customize the software's Graphical User Interface (GUI) design to suit the internal needs of your university/university using the tools provided with the Software.
- Create applications which interface with the operation of the Software provided said application is an original work

You may not:

- Permit other universities/organizations to use the Software. But feel free to inform about and demo the software for other organizations, as long as they are referred to LIME for questions re. Licensing etc.
- Reverse engineer, disassemble, or create derivative works based on the Software for distribution or usage.
- Use the Software in such a way as to promote or provide pirated software/content, or any other form of illegal or damaging activity
- Modify and/or remove any copyright notices or labels on the Software
- Distribute the software without written consent from LIME
- Distribute or modify proprietary graphics, html, or style sheets packaged with the Software for use in other Software applications or web sites without written permission from LIME

DISCLAIMER OF WARRANTY

The Software is provided on an "AS IS" basis, without warranty of any kind, including without limitation the warranties of merchantability, fitness for a particular purpose and non-infringement. The entire risk as to the quality and performance of the Software is borne by you. Should the Software prove defective, you and not LIME assume the entire cost of any service and repair. This disclaimer of warranty constitutes an essential part of the agreement.

TITLE

Title, ownership rights, and intellectual property rights in the Software shall remain with LIME. Title and related rights in the content accessed through the Software is the property of the applicable content owner and may be protected by applicable law. This License gives you no rights to such content.

TERMINATION

This Agreement will terminate automatically if you fail to comply with the limitations described herein. On termination, you must destroy all copies of the Software within 48 hours.

UPDATES/UPGRADES

A licensed user may receive upgrades/updates of the Software.

MISCELLANEOUS

LIME reserves the right to change the terms of this Agreement at any time however those changes are not retroactive to past releases. Changes to the Agreement will be announced via email and on <http://websp.lime.ki.se/license>. Failure to receive notification of a change does not make those changes invalid. A current copy of this Agreement will be available on <http://websp.lime.ki.se/license>.
